

DECK THE HALLS WITH BOSTON CHARLEY

NOVEMBER EVENTS EVENTFUL

10 and 18 NOVEMBER

Our Sommelier Jacques Lilley provided six excellent wines for "Le Vin Soiree Chez Pease." The evening glow was climaxed with the arrival of E.P. Anderson - current USSA executive secretary - and his recounting of the BEAUTIFUL skiing at Loveland and Arapahoe Basin Ski Areas of Colorado.

The meeting at the Iams' Home on the 18th was electric with discussion of plans each member had for the coming season. Peter Lang was deluged with queries about the 12 inches of Fresh Powder weekend at Seven Springs. Dick Harsh's appointment to "National" was announced by Mary. Barbara presented Dick with a properly cravat-banded award from the patrolmen of the club. Georgeanne was consoled by all with such statements as, "You'll see even less of Dick now that he has become National." Cheers Dick - the Honor, that is.

ADDRESS CHANGE

ZURICH, SWITZERLAND

Our itinerate Stecher's latest address is STEINBRUCHELSTRASSE 36 - 8053 Zurich, Switzerland. The new apartment is larger and features a dishwasher for Elke, a yard for Tiger and Heide with live cows next door. Poor Tiger and Heide, imagine having to learn that milk does not come from a carton.

WEDDING BELLS

WEDDING BELLS TERMINATE 1969

November was highlighted by two (2) weddings. Susan Clark was married to William Brown and Susanne Heyward and Jim Key vowed "I do."

XMAS festivities will be especially gay for three PVS members. Patricia Calef and Donald Cope will marry early in December and shortly thereafter Mike Santoro will meet Gertrude Lemke at the altar. TOOT extends, through its members, BEST WISHES to the courageous.

BRSC SKI-O-REE

CHARNITA, PA.

17 - 18 JANUARY 1969

This is a GALA must for all Skiers! Races, Uniform Tests, Uniform Test Judges Clinic and Qualified Amateur Instructor Tests. A real get together that is open to all members of BRSC Clubs. Our club should have members participating in all events. Here is an opportunity for PVS to offer a meaningful service. At present a Uniform Test Judges Clinic is scheduled in the a.m. of both days. Our many qualified members should attend a clinic in order that they may be called upon as Judges during the Ski-O-Ree.

Additional INFO - call Dick King (525-1027) or Jack Fox (493-6234)

Dick has scheduled races with two clubs for PVS's winter season.

Valley Forge Ski Club	vs	PVS	Blue Knob - Pa.	30 January 1970
Richmond Ski Club	vs	PVS	Round Top - York, Pa.	28 February 1970

Pat Jones of VFSC says: "We are planning to stay at Blue Knob the weekend of 30 Jan to 1 Feb. We have scheduled the race with PVS on Saturday and plan a second race for Juniors. Suggest that you bring your Juniors for that race. After the races a party will be held Saturday night. Sunday we enter the NASTAR races held at Blue Knob." "Dutch" Mueller has promised that the races will be timed electronically. At Round Top our worthy opponents are the Richmond Ski Club. Richmond's president Reb McGowen has suggested clubs combine the Bus Trip. Interested competitors, activists and girl watchers please contact Dick King (527-1027) for additional race information.

PROCEDURE FOR ACCEPTANCE OF APPLICANTS TO PVS MEMBERSHIP

To establish a fixed procedure that will expedite the acceptance of applicants for PVS membership, the following methods - that comply with the By-Laws - was suggested at the November EXCOM meeting by your president. EXCOM recommended publication of procedures in the December TOOT after granting their approval.

Applicants that have fulfilled all membership requirements or those applicants EXCOM recommended will have their names published in TOOT, by the Membership Committee. At the following business meeting of the club the Membership Chairman will announce acceptance of said applicants as members upon payment of dues. In the event that the Membership Committee receives five written votes objecting to an applicants acceptance, during the period between TOOT publication and the meeting, said applicant's name will be deleted from the acceptance announcement.

Applicants, that have fulfilled all requirements for membership and are well known to the regular members, may have their names announced as applicants by the Membership Committee at the beginning of a business meeting. Prior to meeting termination the Membership Chairman will announce acceptance of said applicant as a member upon payment of dues. The period between announcements is to allow submittance of written five (5) objections to the Chairman to negate a membership. Note - Regular members may request, of the Chairman, that a ballot vote be taken prior to the announcement of applicants acceptance.

PVS PLANNED SKI TRIPS
