President's Message

Fellow PVS'ers

For many years, we in PVS have been fortunate that so many of our members have graciously opened their homes for our monthly meetings. Our hosts and hostesses have not only given of their homes, but have freely given the time and effort required to prepare the luxurious dinners that we have all immensely enjoyed. I want to personally thank all of the PVS members who have been so generous over many years.

I also want to assure PVS members who volunteer their homes for future meetings, that it is not necessary to host a full dinner. There are no doubt many of you who would be willing to share your home for an evening, but have neither the time nor inclination to sponsor a feast for a large group of people. To you I say give us some liquid refreshment and snacks and we will be totally happy. In fact as a way to encourage people to take on the task of hosting meetings, I think it would be good if all hosts and hostesses limit the spread of food to what is easily manageable with minimal effort.

I hope to see you at the Trips party on August 9 (where dinner **will** be served with your help of a salad, appetizer or desert!)

Message from Summer Editor

Fellow PVS'ers:

In the summer season, a number of PVS'ers have taken off for other places. The current TOOT editor, Jan Marx, has been spending much of the summer in Minnesota and is about to head off to South Africa where Bob Marx will be attending a professional meeting.

First of all, a big note of appreciation should be given to Dick Clark who has been maintaining the PVS computerized database for many years while Marilyn Clark held the position of

Membership Chair. Competent behind-the-scenes efforts of this nature, which take up a good deal of time and effort to get it "right" do not often get recognized.

The incoming Membership Chair, Wilma Sharer, and the summer TOOT editor both can appreciate firsthand the efforts of Jan Marx and Marilyn Clark now that they have been facing the tasks of dealing with these club functions.

PVS CLUB NOTICES

Time for Membership Renewal

The Membership Renewal Form was enclosed with the July issue of TOOT. If you have not yet renewed, it would a good idea to do so before September 2, 2003. If you have misplaced your renewal form, you can request a copy by phone to Wilma Sharer at (301) 975-9411 or by sending an email to renewal@potomacvalleyskiers.org

No renewals will be accepted without a completed form. Our treasurer requests only checks. No cash, please.

After September 1, we will be accepting applications from those on our waiting list.

Wilma Sharer, Membership Chair

PVS MEMBERSHIP CARD

By late September, each member will receive a PVS membership card with information pertaining to membership services.

This membership card will identify you as a member of the Blue Ridge Ski Council (BRSC) and through the BRSC a member of the National Ski Council Federation. This card will entitle you to substantial discounts at selected ski shops, resorts and retailers in the ski industry. In addition, as a member of BRSC you are entitled to go on BRSC trips which are sanctioned by other member clubs without becoming a member of that club.

Examples of these discounts are 30% off ski rentals and 25% of ski services such as ski tune-ups at Breeze/Max ski shops which are located in many North American ski locations.

WE NEED HELP !

We are running out of volunteers to host PVS meetings. This year it's easy, no more meals! Just munchies! Please call Ray McKinley (703) 527-7126 he can provide all the information. Without your support, we'll have no PVS!

PROGRAM PLANNING COMMITTEE READY TO LAUNCH

In spite of the summer doldrums we have forged ahead by recruiting several additional committee members. Among these are such veterans as Marvin Hass, who will also serve as our Web master for what we hope will be largely a Web-based member survey, indefatigable Lu Beal, and super trip leader Dave Lerner. They will join our original core group consisting of Ruth Powers, Ray McKinley, and Jessma Blockwick. Several additional members, who seemingly are presently away, are expected to confirm their commitment to this effort, which aims to possibly enlarge the club's activities.

As noted in our note last month, we are planning a member survey. The questionnaire will be distributed both with an upcoming Toot and on our Web site for your electronic responses, where such is convenient for you. Meanwhile, any suggestions you may have, both for the survey and activities, please be sure to let any committee member know so that such suggestions can be timely incorporated.

We hope to get a real top notch response to our survey, and thank you already now for your participation and assistance.

The KNEE

THE KNEE .

by
Ray McKinley

Yours truly has had an entire month off. Now, what is it that I should be doing?

Ah, yes writing a column called, I believe, the Elbow. That's a Spanish term for the front of the boat. The back is elsterno, which is a homonym for the can with fire in it

The Knee and Nancy were in Ireland last month celebrating our 10th ankneeveresknee.

We are, once again, in the midst of a hot muggy Washington August. And with it the gossip is also heating up. So let's get right to it.

Serge and Liz Triau have just returned from Greenbriar Resort, where they celebrated their 47th ankneeveresknee. (Only 37 ahead of the Knee. Actually, the Knee and Nancy have been married 53 years—just not to each other!)

And Jessma Blockwick just returned from a family reunion in Oklahoma. Jessma didn't find it "OK." She stayed in the only hotel room she has ever been in that came with a fly swatter!

A skiing tidbit: Winter Park closed its ski season in mid June. They had no skiers—but they still had a 120-inch base.

Many others are also traveling: Karen and Knox Felker are off to the beach for 3 weeks—the beach in Denmark. Charlotte Kline's daughter is visiting from Germany, and they are off to Virginia Beach. And Bob and Jan Marx will be spending 5 weeks in South Africa. Quite a trudge!

It's now time to recognize our birthday children. Several of us have just had significant, and I mean SIGNIFICANT, birthdays. And this month they are all at the beginning of the alphabet. Let's all applaud for Bill Anderson, Ellen Burgess and Betty Byrne. I won't reveal secrets, but let's put it this way. All can now legally drink—in all 50 states.

Congrats to Jack Peoples. He is over his knee replacement surgery, (No, it wasn't a Knee replacement) and doing just fine.

From the Knee's Whoops Department:

Roland and Lorraine Brockmeyer were recently in Austria. They had exchanged dollars for local currency but found no one would take it. It turns out that instead of Austrian funds, they purchased funds from Australia. As noted above, whoops!

Perhaps you hadn't noticed, but the new exciting membership application was in last month's TOOT. New membership Chair, Wilma Sharer, reports the first to send in membership were Peggy and Kirk Burns and Bill Anderson.

Wilma also notes that we are running a bit behind in members who have rejoined. Some 14 years ago, the Knee composed some poetknee to spur on membership--and soon we reached our 200-person limit. To again save PVS, here's the newest version of that classic piece:

*Your monthly Knee
isn't free.
You must pay for me
by rejoining PV
S.*

*The Knee tells all,
in Summer, Winter, Spring and Fall.
He's got up-to-the-minute gossip,
including some he makes up.*

*Now you can join a big ski club
or you can join a slight one.
Or you can join a black ski club
or you can join a white one.
But it's best for you to be
In our PVS, "the Club with a Knee."*

*The Club with a Knee,
the Club with a Knee.
PVS --the club to be
in.*

Now be honest, doesn't that leave you just a bit teary? An epic style--a light opening, a strong central theme and a lyrical, airy coda. And I'm certain you noted the splendid change of cadence in the third verse. It also shows my consummate understanding of those major poetic terms like illiteration and automated poea. Simply wow.
